

Looking Forward iving Back Groton Public Library

In the Spring of 2016, construction will begin on the Library renovation project.

The Library received a public library construction grant for \$413,875 from the Connecticut State Library Board. Local matching funds are required for the project which totals \$859,000.

- Expand local history room to accommodate the existing and future collections with proper temperature, humidity and light controls to preserve the materials.
- Update and enhance the computer lab.
- Renovate public computer area.
- Undertake building maintenance projects including energy efficient HVAC upgrades and parking lot improvements.
- Install exterior book drop.
